

CALL FOR PAPERS  
**IDIMT 2022**

30<sup>th</sup> Interdisciplinary Information Management Talks  
**“Digitalization of Society, Business and Management in a  
Pandemic”**

Prague, **Czech Republic**, September 7<sup>th</sup> – 9<sup>th</sup>, 2022  
([www.idimt.org](http://www.idimt.org))

*The 30<sup>th</sup> IDIMT Conference will be held in the beautiful and historically fascinating town of Prague. Prague has numerous historical buildings and a lovely setting along the Morava with the Hradčany Castle as a background.*

*During the 30 years of their history, IDIMT conferences have established themselves as a truly interdisciplinary and international forum for the exchange of concepts, visions and experience in the area of complex and/or software intensive systems, systemic thinking and related topics. We will keep the tradition of having an intensive discussion with the authors and the audience after every 3 to 5 papers.*

*The proceedings will be published in the “Informatik” series of the “Trauner Universitätsverlag, Linz, Austria” with an ISBN-number. They will be available at the opening of the conference.*

*The proceedings are indexed in Conference-Proceedings-Citation-Index (CPCI) and in Scopus. They are offered under ‘Creative Commons ‘ (BY-NC-ND ) and each paper will be identified by a DOI-number.*

**Start of submission January: 15, 2022**  
**Latest submission: April 29, 2022**  
**Submission of camera ready papers : June 13, 2022**  
**Final accept/reject decision: June 27, 2022**

**Topics:**

Management and Digitalization  
Innovations and Strategies in a Pandemic Era  
Complex digital approaches for Crisis Management – Blackout in pandemics
